

Designed to help you organize your tech accessories without any hassle, Allen Tech kit will be your companion for everything 'tech'. Made of thick, premium & durable cotton canvas,

it has ample space to keep all your tech accessories - from your power bank, hard drive, chargers (along with the cables), to your cards & pens - ALL IN ONE PLACE.

Top that off with the most important zipper closure that creates a forgiving format that allows you to fit more in, without compromising on your sense of composure & the need to organize.
